

DAY IN THE COUNTRY
Los Olivos Chamber of Commerce

Post Office Box 280
Los Olivos, CA 93441

Dear Exhibitors and Food Vendors:

This is an application for booth space at DAY IN THE COUNTRY. The event takes place in the charming town of Los Olivos and is scheduled for Saturday, October 19th GEFJ. **Exhibitor booth prices have gone up! But don't worry, you can get last year's price if you act fast!** We have also released 30 additional booth spaces this year (booth numbers on map DO NOT equate to total number of booths available). All LO Chamber members receive a booth discount (see application).

Exhibitor booths (artists, crafters, vendors, non-profits): **\$95 per booth until July 31**
\$110 from August 1 - Labor Day (Sep 2)
\$125 from September 3 through October 1

Prepared food booth/truck (any foods): **\$225 per booth until July 31**
\$250 from August 1 - September 15

Electricity (if available) is an additional **\$50 per booth** – note: typically electricity is not available.

Special requirements will be honored if at all possible. Please read the following:

- Reservations will be made upon receipt of the application and payment. Space assignments will be made on a first-come, first-served basis. Reservations must be made by October 1 to guarantee a space. **There will be no refunds after Oct 1!**
- If you would like the same space as last year, please indicate on the application, and provide booth number requested.
- Spaces are 10' deep by 12-14' wide (same as last year). You must provide your own tables and set-up. Keep in mind, it can be windy or sunny at times, so you should be prepared to anchor your display/tables/tents and provide your own shade.
- All booths need to be completely set up by 8:45 a.m. on the day of the event. All cars, trucks, and debris are to be off the street by 8:00 a.m. If set-up is not complete by 8:00 a.m., then exhibitors must hand-carry items to the booths. Non-compliance with this may affect obtaining space in future Los Olivos events.
- PARKING IS NOT PERMITTED AT BOOTHS. Special handicapped parking is available. Exhibitors' and visitors' cars will be routed away from highway 154 and parking will be provided around town.
- FOR PUBLIC SAFETY: No spray string, toy guns, caps or exploding devices are permitted.
- FOOD BOOTHS must comply with Santa Barbara County Health Regulations. Applications for food booths must be received by September 16, 2018. Please fill out the separate application required by the County for food booths.
- The "Day in the Country" will take place rain or shine.

This is a wonderful event and with your help, we are looking forward to another successful and enjoyable "Day in the Country." If you have any questions, please contact:

Liz at info@losolivosca.com or **818-468-1971**

On the day of the event, we will provide on-site contacts for help with your booth.
